

# Scandinavian College of Neuropsychopharmacology

## 55<sup>th</sup> Annual Congress Copenhagen - April 24<sup>th</sup> - 26<sup>th</sup> 2014

THURSDAY, APRIL 24 <sup>th</sup>		SATURDAY, APRIL 26 <sup>th</sup>	
13.00 to 19.00	<p>PRE-MEETING EVENT to SCNP 2014 EDUCATIONAL WORKSHOP: <u>Update on Basic Neuropsychopharmacology</u> <i>Brian Leonard (Galway, Ireland) &amp; Gregers Wegener (Aarhus, Denmark)</i> NOTE: The number of participants is limited to 40</p>	09.00	<p>LECTURE <u>DSM5 - facts and fiction</u> <i>Hans Ågren (Gothenburg, Sweden)</i></p>
		09.45	<p>SYMPOSIUM <u>Treatment of alcohol dependence: a current update</u> Extending Treatment Options in Alcohol Use Disorders: the Nalmefene Data. <i>Karl Mann (Heidelberg, Germany)</i> Recent RCTs on Alcohol Dependence – Mixed Effects of Varenicline (partial nicotine receptor agonist) and Org 25935 (glycine uptake inhibitor) <i>Bo Söderpalm (Gothenburg, Sweden)</i> The Gut-Brain Axis and Addiction: The Involvement of Gastro-intestinal Hormones in the Brain Reward Orchestra. <i>Jörgen A Engel (Gothenburg, Sweden)</i></p>
FRIDAY, APRIL 25 <sup>th</sup>		11.15	COFFEE BREAK
10.00	PRESIDENT'S WELCOME	11.45	<p>SYMPOSIUM <u>New treatment options in ADHD</u> Current evidence for pharmacological treatments in adult ADHD. <i>Marios Adamou (Wakefield, United Kingdom)</i> Current evidence for psychological treatments of adult ADHD. <i>Brynjar Emilsson (Reykjavik, Iceland)</i> New treatment options in adult ADHD. <i>Anne Halmoy (Bergen, Norway)</i></p>
10.05	<p>OPENING LECTURE <u>Recent advancements of molecular imaging on monoaminergic neurotransmission systems</u> <i>Lars Farde (Stockholm, Sweden)</i></p>	13.15	LUNCH
11.00	<p>SYMPOSIUM <u>Tobacco smoking in psychiatric patients - a harmful self-medication with nicotine?</u> Tobacco smoking in major psychiatric disorders: why do our patients smoke as much as they do? <i>Leif Lindström (Uppsala, Sweden)</i> Future medication in schizophrenia and depression: Role of alpha 7 nicotinic receptor agonists, partial agonists and positive allosteric modulators. <i>Torgny H. Svensson (Stockholm, Sweden)</i> Nicotinic receptor agonists and antagonists in animal models of depression <i>Jesper T. Andreasen (Copenhagen, Denmark)</i> Smoking cessation in psychiatric patients. Pharmacological treatment alternatives and outcomes. Pros and Cons of e-cigarettes <i>Karl-Olov Fagerström (Sweden)</i></p>	14.00	<p>SYMPOSIUM <u>Novel approaches in Schizophrenia</u> Stratifying schizophrenia: Can we use neurochemical imaging and genetic data to target responders to novel glutamatergic drugs in schizophrenia? <i>James MacCabe (London, United Kingdom)</i> Striatal and extrastriatal dopamine D2/3 receptor binding in antipsychotic-naïve first-episode patients with schizophrenia. <i>Birte Glenthøj (Copenhagen, Denmark)</i> Subgrouping of antipsychotic-naïve first-episode schizophrenia patients <i>Nikolaj Bak (Copenhagen, Denmark)</i></p>
13.00	LUNCH	15.30	COFFEE BREAK
13.45	<p>SCNP YOUNG SCIENTIST SYMPOSIUM <i>Speakers to be selected (based on competition - see <a href="http://scnp.org">http://scnp.org</a> for details on how to participate)</i></p>	16.00	<p>SYMPOSIUM <u>New discoveries and potential for drug development?</u> The Sensodetect® - method as biomarkers and diagnostic support for schizophrenia and adult ADHD in relation to healthy controls. <i>Eva Baghdassarian (Uppsala, Sweden)</i> Can new psychiatric genetics findings facilitate drug targets <i>Ole A. Andreasen (Oslo, Norway)</i> Metabolomics - can it give a potential link to drug targets? <i>Matej Orešič (Helsinki, Finland)</i></p>
15.15	COFFEE BREAK	17.30	CONCLUSION OF THE MEETING
15.45	<p>LECTURE <u>Probiotics: a novel treatment avenue in psychiatric disorders?</u> <i>John F. Cryan (Cork, Ireland)</i></p>		
16.30	<p>DEBATE SYMPOSIUM <u>Antidepressants. Is efficacy a myth?</u>  <i>Elias Eriksson (Gothenburg, Sweden)</i> <i>David Healy (Bangor, United Kingdom)</i></p>		
18.00	<p>POSTER SESSION. <u>Refreshments</u></p>		
19.30	<p>SCNP 2014 RECEPTION IN POSTER AND EXHIBITION AREA. <u>Unformal standing dinner with food and wine</u></p>		

### PRACTICAL INFORMATION FOR PARTICIPANTS

**REGISTRATION:** Registration is possible via <http://scnp.org>. Registration fee until March 1<sup>st</sup> 2014: **DKK 1995**. After March 1<sup>st</sup> 2014: DKK 2495. The registration fee includes all coffee, lunch and unformal standing dinner buffet on April 25<sup>th</sup>. Members of SCNP get a discount of DKK 500.

**ACCREDITATION:** It is expected that the meeting will be accredited by EACCME (<http://eaccme.eu>).

**POSTERS:** Submission of poster abstracts is accepted via the website: <http://scnp.org> until March 1<sup>st</sup> 2014. See full guidelines at the website, and how to apply for participation as a Young Scientist.

**VENUE & ACCOMODATION:** The meeting will take place in the 'Lundsgaard auditorium', the Panum Institute, University of Copenhagen. See more details at our website, where also accomodation can be booked.

### ABOUT SCNP

SCNP was founded in 1959 in Copenhagen, and has since then been a major driving force within Neuropsychopharmacological Research, Innovation and Education in the Nordic Countries: Denmark, Sweden, Norway, Iceland and Finland. Several remarkable studies has been made by the college and its members, including the discovery and development of the first SSRI antidepressants.

Today, SCNP and its Journal, *Acta Neuropsychiatrica*, continues these proud traditions. You are cordially invited to join.

The meeting is sponsored with unrestricted educational grants from
